We begin with a consultation with our Wedding Specialist, Sarah, who will take time to chat about treatments in the lead up to the big day, discuss all your requirements for hair and make up and the look you'd like to create. Enjoy the opportunity to view our previous wedding, special occasion and photographic work. Let the experience begin...!

Pre-Wedding Treatments

By now you will have discussed and planned treatments that may be desired prior to your wedding day. These can include specialist treatments to prepare your skin, hair services, or perhaps nail, lash, brow or tanning appointments. These will have been scheduled to suit you and your bridal party and ensure you feel tip top. Enjoy the relaxed salon atmosphere, treat yourself and allow us to treat you.

Hair & Make Up Trials

Sarah and our team will work with you to create the perfect look and ensure you're 100% happy with the finishing touches. Dates will be planned for these allowing plenty of time for discussion, alterations and final decisions. You are welcome to bring friends and family to share this experience with you.
