Taking care of all your beauty and hair needs for your special day

Bespoke Collections

All of our wedding packages consist of a consultation appointment with one of our wedding specialists. They will go through the packages we have available and help you decide the best treatments and services to suit you and your bridal party. In the run up to your wedding we can also help create courses of treatments to help you prepare.

We recommend having both a hair and make-up trial to allow us to help you create a personalised look you are 100% happy with for your special day. House or venue visits can be arranged for your wedding day at an additional charge of £15.00 +45p per mile.
